QUALIFICATION OUTLINE

ILM LEVEL 7 CERTIFICATE AND DIPLOMA FOR EXECUTIVE AND SENIOR LEVEL COACHES AND MENTORS

ACCREDITED BY THE INSTITUTE OF LEADERSHIP AND MANAGEMENT

The world of work is changing. Our research shows that developing coaching and mentoring skills at every level of an organisation is the key to unlocking potential and increasing productivity.

Whether it's helping to shape the careers of talented individuals, encouraging innovative ideas and new perspectives or simply building resilience in preparation for the challenges ahead, coaching and mentoring skills can be used every day to improve performance

Course Overview

The Institute of Leadership and Management Level 7 Certificate and Diploma for Executive and Senior Level Coaches and Mentors qualification is aimed at experienced senior leaders with responsibility for developing and leading teams and raising standards.

The qualification is designed for senior leaders, and human resources (HR) professionals who wish to develop their expertise and credibility in the fields of executive or senior level coaching and mentoring, or to establish coaching at an organisational level.

On this course you will explore the profound impact of coaching, as well as developing the skills, confidence and competencies of coaching at a senior managerial level. This qualification will enable you to increase efficiencies, retain talent, enhance culture and drive positive behaviours whilst providing a platform for effective communication for those both within and outside of your organisation.

The Main Aims

A skilled coach or mentor is an invaluable asset to any organisation. As well as increasing confidence and motivation, ILM's coaching and mentoring qualifications significantly improve management performance, conflict resolution, communication and interpersonal skills.

COACHING AND MENTORING

POSITIVELY IMPACTS THE WORKPLACE IN A VARIETY OF WAYS:

- Stronger teams
- Increased independent thinking and working
- Developmental leaders
- Supports talent development
- Improved ability to align employees to the organisation's culture and ethos
- A more inclusive culture
- Improved employee satisfaction scores and staff retention

Course Agenda

This is a highly practical, experiential and for many, transformational course which focuses on the development and refining of coaching competencies, combined with learning tools, techniques and approaches.

We offer a face-to-face course experience, with 5 x in-person days, plus 4 x virtual seminars which take place after the 5 x days of delivery.

Our virtual course experience is 5 x remote delivery days spread across 5 months, plus 4 x virtual seminars which take place after the 5 x days of delivery.

The whole course, including completion of assignments takes approximately 12-18 months to complete, depending on your chosen route (diploma/certificate), pace of independent study and ability to fulfil the practical coaching hours required.

Assignments

The Certificate programme consists of three assignments (shown below). There is an assignment to test your knowledge and understanding of core coaching and mentoring principles, a portfolio of coaching evidence and a reflective journal to capture your development as a coach or mentor. The practical nature of the assessments is an opportunity to embed skills in reality, rather than concept.

- Written Assignment: Understanding the Principles and Practice of Effective Coaching and Mentoring at an Executive or Senior Level
- Practical Portfolio: Undertaking Coaching or Mentoring at an Executive or Senior Level
- Reflective Journal: Reflecting on Your Ability to Perform Effectively as a Coach or Mentor at an Executive or Senior Level
- Diploma only: Undertaking an Extended Period of Coaching or Mentoring at an Executive or Senior Level
